MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: : Walter Elder
Executive Secretary

SUBJECT: : Intelligence Community External Training Retreat

1. Action Requested: That you approve circulation of the attached letter from the Director, NSA, to NFIB principals for comment. ☐

2. Background: I have obtained Harry Fitzwater's preliminary reaction to LTG Faurer's suggestion. It is attached. ☐

If there is a consensus in favor of this facility, it seems evident that control should be vested in a single agency with cost-sharing arrangements to be worked out. ☐

Once I have collected NFIB comments, you may want to consider turning them over to Harry Fitzwater to work out practical details for NFIB consideration and DCI approval. ☐
